I. Introduction

We are requesting that a panel of judges provide relief with supplements to the ROA which:

- unseal [ROA20pgSealed](#) and [ROA67pgSealed](#) (133 pages, 25 documents) but strike ECF20-1 and ECF67-13 (2 documents, 2 pages) with unredacted PII
- correct two garbled exhibits in the ROA, [ECF10-9](#) and [ECF16-1](#),
- document TXND recent actions which unsealed [ROA20pgSealed](#) and [ROA67pgSealed](#) but did not strike ECF20-1 and ECF67-13 as requested.

We also seek an order that ECF20-1 and ECF67-13 be struck in TXND ECF as they have unredacted PII but are available for public access in TXND ECF at this time. There are replacement exhibits [ROA24-1pg573](#) and [ROA69-1pg1571](#).

There are four original motions seeking relief each of which have been deferred pending judicial review or denied under varied circumstances (last 3). They are:

- [5CC13](#) a motion to seal ECF20-1 and ECF67-13 with unredacted PII,
- [5CC26](#) a motion seeking to correct two garbled records in the ROA,
- [5CC32](#) a motion to strike a new ROA with ECF20-1 and ECF67-13, and
- [ECF97](#) a TXND motion to strike ECF20-1 and ECF67-13.
